

From the PSP CLEAN menu, click on **Warrant Error Correction** to launch the application. On the Warrant Error Correct Summary page, enter your agency's Primary PSP ORI and click **Submit**.

Upon clicking submit, you will see a list of rejected wanted person records for your agency. To open the record and fix the error(s), click on the Warrant Number.

**Warrant Error Correction Summary**

Please enter the ORI for Warrant you wish to modify:

The wanted person entry information is displayed, along with a Rejection message. Click the **Edit** button in the upper left corner to enable the record for editing.

All errors are highlighted in **YELLOW**. You may need to scroll down to see them. Pack the record with additional information or correct the existing data and click **Submit**.

The system will update the status of the record and take you back to the Summary page. The primary ORI will receive a CLEAN message regarding this update.

**Warrant Error Correction**

The warrant information shown below was rejected by CLEAN or NCIC. The fields displayed were sent in the original warrant submission. The highlighted fields show where known errors occurred. Please click Edit and make any necessary corrections. When finished, click Submit. This screen can be used to add additional information to the warrant record.

**LEMS REJECT: V1006:Field VIN contains invalid character.**

DNA Location (DLO)

The following information must be a set:

Operator's License Number (OLN)  State (OLS)  Year (OLY)

The following information must be a set:

License Plate Number (LIC)  State (LIS)  Year (LIY)  Type (LIT)

The following information must be a set:

Vehicle Identification Number (VIN) **4A3AA46\_J09E098804** Vehicle Year (VYR) 2012  
 Vehicle Style (VST) 2D Vehicle Make (VMA) FORD  
 Vehicle Model (VMO) MUS Vehicle Color (VCO) TRQ

## Viewing On-File Rejections

Select the On-File rejection from the summary page to view and compare the warrant on file to the new wanted person entry.

**On-File Warrant Comparison**

The warrant listed below was rejected by CLEAN or NCIC because there is already a warrant on file with duplicate information for your ORI. Please click the Edit button to correct or change information for the "New entry" warrant. Once the information has been corrected, click Submit. Should you need to make any modifications to the "Warrant currently on file", you will need to make them directly through the CLEAN Portal device.
